The dimensions stated for this unit floor plan are approximate because there are various recognized methods for calculating the square footage of a unit. The square footage stated here is calculated from the exterior boundaries of the exterior walls to the centerline of interior dividing walls without deductions for closets, alcoves, or architectural features. This method typically results in square dimensions greater than the dimensions that would be determined by using other recognized methods. The inclusion of "DW" and the calculation method to be used herein is set forth by the Developer. © 2024 U.S. in Developer's perspective, the method set forth in the Developer's prospectus may result in a square footage calculation less than the method used here. Consult the Developer's prospectus for information on what is affected with the unit and the calculation of the unit square footage and dimensions.
